

Help us preserve San Antonio's history! You can volunteer to become a tour guide, help us with historic surveys, or participate in many fun community events. There is also the opportunity to get hands-on experience in minor repair and maintenance of historic properties with our S.T.A.R. program and Preservation Day events.

To register as a volunteer visit our website at [www.sanantonio.gov/historic](http://www.sanantonio.gov/historic) under Volunteer Opportunities. Complete a registration form and make sure to select "Office of Historic Preservation" from the drop down menu. Once your application has been approved, you will receive an email with instructions and log-in information. You will then be able to see all of our volunteer opportunities online and sign-up for any events. Join us today!
